## MESSAGE FROM HOMECRAFT DIRECTOR

On behalf of the Homecraft Section, I would like to take this opportunity to welcome everyone to the Brampton Fall Fair 2019. We look forward to celebrating this year's theme with you, "Family ties and Homemade Pies". We offer many different classes for you to compete in during the fair such as baking, gardening, crafting, and antiques just to name a few, make sure to check out the list to see the many different sections and options. We encourage anyone and everyone to enter no matter your skill level, so let your friends and family know. We are excited to see your entries.

During the fair stop by the Peel Junior Farmers' Hall to check out everything that has been entered for judging, and what took home first, second and third place ribbons, as well as some wonderful exhibits and displays. There is always something great to see.

A sincere thank you to the numerous Brampton Fall Fair Volunteers who spend many hours throughout the year co-ordinating a terrific fair. Without these volunteers and all the hard work they put in, we wouldn't have a fair for you to enjoy.

A very special thank you to Brenda Bebbington for her assistance to the Homecraft Section, and all that she does for the Region of Peel Agricultural Society/Brampton Fall Fair. Thank you also to the Brampton Fall Fair Office Volunteers, our Sponsors, and of course the Exhibitors who showcase their talents!

#### Vanilla Fudge Recipe

1 can condensed milk (sweetened, not evaporated milk)  
 1 can milk, measured in empty condensed milk can  
 4 cups white sugar  
 60 ml/4 dessert spoons butter or margarine  
 5 ml/1 tsp vanilla essence  
 Pinch of salt

Pour everything except vanilla and salt into a heavy-bottomed pot or sauce pan and gently heat. Use the empty condensed milk can to measure the milk. Stir with a wooden spoon until the sugar has melted. Keep on medium heat, stirring regularly to avoid scorching. It should take about 20 minutes for the fudge to become the golden colour of straw. Remove from heat, add salt and vanilla. Beat with a wooden spoon or an electric mixer on low for about 5 minutes, until the fudge becomes thick or “dull” on top. It should start pulling away from the edges. Pour into a buttered jelly roll pan and allow to set. After a few minutes, score the top with a knife to mark off squares. When cool, cut into squares.
